

Greenbelt Health Association Announces Arrival Of New Doctor

A new doctor has been added to the staff of the Greenbelt Health Association, Mr. Herbert Hertz, president, announces. The arrival of Dr. Louis H. Moody, Jr. of Takoma Park has two-fold significance, according to Mr. Hertz. Not only will it relieve Dr. Wodak of the heavy load he has carried for the past two years; it will hasten the expansion of its service to GHA members.

Dr. Moody will practice general medicine as well as his field of special study, obstetrics and gynecology. He will also perform minor surgery. Dr. Moody received his pre-medical training at the University of Maryland and an M.D. from the George Washington University in 1940. He was an interne at Garfield Hospital in Washington during 1940-41 and a resident obstetrician and gynecologist in the City and University Hospitals of Cleveland during 1941-42.

Selection of Dr. Moody was made at a special GHA board of director's meeting May 13. Announcement was withheld at that time pending issuance of a Maryland license to Dr. Moody. He will sign a contract for one year on June 1, although he will assume his duties several days prior to that.

"Dr. Moody comes to us well-recommended," Mr. Hertz stated. "In addition we are considering the hiring of one of several qualified experts to assist and advise us in planning a well-rounded program of services to the members. It can't be stressed too strongly that an increased membership is essential to any expansion program. Accordingly, we will start an intensive membership drive in the near future. If each member introduces just one new member, any expansion program undertaken will be assured of success. Any resident interested in becoming a member of GHA should call 2121."

Council To Plan Fourth Of July

Visitors are expected at the Town Council meeting, Monday at eight, in the office over the variety store, in response to a letter mailed this week inviting organizations to be present to discuss the Fourth of July celebration.

Others will attend, it is understood, to request that the council reconsider its plan to charge for swimming lessons. In accordance with procedural rules, it will be necessary, in order to reopen this matter, for a councilman who voted for the \$1.00 fee to move reconsideration of the motion.

1946 Pool Tariff Effective May 30

The town council has established the following rates for the Greenbelt Swimming Pool, opening May 30.

1. Children under six years with responsible adult—no charge.
2. 6-12 years, single admission—20 cents.
3. 12-16 years, single admission—25 cents.
4. Over 16 years, single admission—40 cents.
5. 6-12 years, strip of ten tickets—80 cents.
6. 12-16 years, strip of ten tickets—\$1.50.
7. Over 16 years, strip of ten tickets—\$3.00.

All prices include tax.
8. Checking will cost 5 cents.
9. Towels will cost 10 cents, with a deposit of 50 cents.
The hours will be as follows:
1. Memorial Day, May 30, 9 a. m. to 7 p. m.
2. Friday, May 31—12 a. m. to 7 p. m.
3. Saturday, June 1—9 a. m. to 7 p. m.
4. Sunday, June 2—12 a. m. to 7 p. m.
Thereafter until June 15, the hours will be the same as above.

Donations Mount For Care Program

Appointment of Mrs. Charles East as sub-committee chairman to coordinate town efforts in support of CARE (Cooperative for American Remittances to Europe) was announced at a recent meeting of the Greenbelt Food Conservation Committee.

Full support of Greenbelt Consumer Services in spreading the plan of regular contributions from neighborhood groups has been assured by GCS President Dayton Hull.

At least two groups in town have lost no time in adding their support to the CARE program. Courts 1, 2 and 3 of Laurel Hill Road are contributing 25c per week from each of 20 families towards the purchase of one package of food through CARE every three weeks. Mrs. Mary Callanan is in charge of this collection. The neighbors of 57 Ridge Road have contributed \$1 each for the purchase of a food package to Czechoslovakia. Mrs. Dora McNeil has charge of collection for this court.

Phone Failure

Phone service to the Medical Center was again disrupted this past week when lines to the center failed last Saturday and Monday. The Health Association has announced that they may be reached at 2131 in the event that they cannot be reached at their regular number. Anyone who cannot reach a doctor at the Medical Center may call the police station, 2011, and leave a message as the doctors call in there at regular intervals.

Don Grimm Wins SSP Scholarship

Donald Eugene Grimm, 16, Greenbelt High School senior, has received an award in a national scholarship competition held by the National Association of Secondary School Principals, Washington, D. C., it was announced today by Mr. John P. Speicher, principal of Greenbelt High School. This award designates the recipient as an alternate for a \$300.00 scholarship and was won in a competition of 5201 selected high ranking students—all senior members of the National Honor Society—in 1274 high schools throughout the nation. Donald ranked seventeenth in the country and was one of two students from Maryland to receive an award. He is the son of Mr. and Mrs. George B. Grimm, 2-A Northway. He plans to enter the University of Maryland in September.

At Greenbelt High, he was president of the National Honor Society, editor of the school newspaper, treasurer of the Dramatic Club, a member of the Student Council, in the cast of the school plays and operettas and ranked scholastically in the upper tenth of the senior class.

Correction

Last week's story "Injections Available" should have read: whooping cough shots are given at the public health clinic in the regular free course of inoculations for small children, and booster shots are given at intervals of four to five years.

Council Protests Enlarged Airport And Speedway

The following resolution, ordered drawn up by the Town Council at its meeting Monday, May 13, was duly transmitted to the Federal Public Housing Authority May 21:

WHEREAS, it has been brought to the attention of the Council of the Town of Greenbelt, Maryland, that the General Field Office of the Federal Public Housing Authority has recommended the approval of a right-of-way through Greenbelt for a new super-speed highway which brings it within approximately one hundred feet of Greenbelt homes; and

WHEREAS, it has also been learned recently that the General Field Office of the Federal Public Housing Authority has agreed to transfer approximately seventeen acres of land near the center of Greenbelt to the privately-owned Schrom Airport so that the airport can be expanded to handle large freight-carrying planes; and

WHEREAS, the Greenbelt Community was designed, built, and in the past has been operated as a demonstration of modern community planning wherein first and foremost consideration was given to the safety and general welfare of its residents, with special protection from the danger and annoyance of heavy traffic being given to the residents by locating the Town a considerable distance from all arterial highways and with the community as a whole being protected from sprawling, haphazard developments and encroaching industries by the establishment of an encircling greenbelt around the entire Town; and

WHEREAS, the presently proposed location of the right-of-way for the super-speed highway was selected because of the opposition of the owner of the Schrom Airport to two previously surveyed rights-of-way and apparently without regard to the fact it will run almost by the front doors of Greenbelt homes and in an area where children have always been free to live and play without fear of being crippled or killed; and

WHEREAS, for a number of years planes using the Schrom Airport have been a source of danger to the safety, health, and peace of mind of the residents of Greenbelt because of low flying and stunt flying over our homes and with the enlarging of the airport for freight-carrying planes we believe the hazards and mental distress will be greatly increased; and

WHEREAS, the Legislature of the State of Maryland has granted to the Town of Greenbelt "control over all public roads, streets, alleys, and sidewalks within the corporate limits of the Town of Greenbelt" and likewise granted the Town authority "to open, close, and alter public roads, streets, alleys, and walks"; and

WHEREAS, the provisions of the Bankhead - Black Act specifically state that all civil and criminal jurisdiction on resettlement projects rests solely with the State and local political subdivisions; and

WHEREAS, in spite of the provisions of the Bankhead-Black Act and authority granted to the Town of Greenbelt by the Legislature of the State of Maryland, responsible officials of the General Field Office have never consulted with or advised the Town Council regarding the proposed location of the super-speed highway, or the transfer of Greenbelt land for enlarging the Schrom Airport; and

WHEREAS, we believe that the fundamental principles which guided the planning and development of Greenbelt have been ignored by the General Field Office in approving the location of a dangerous super-speed highway so near our homes and the transferring of Greenbelt land for enlarging an airport which already constitutes a hazard and a nuisance to our community, and that such action results only to the benefit of one (See COUNCIL PROTEST Page 2)

Greenbelt To Honor Veterans Sunday; Church And Center Programs Planned

The first peacetime Memorial Day since 1941 will be observed in Greenbelt on Sunday, May 26, with church services and a community program. Worship at the Community Church at 11 a. m., and a formal program at the Center at 3 p. m. will keynote Memorial Day commemoration.

Prizes In Store For Lucky Donors

New impetus for the canned goods drive for overseas relief came this week when a donor who prefers to remain anonymous made prizes available to lucky contributors.

Through the cooperation of the food store, two pounds of butter, four pounds of oleomargarine and a five pound bag of sugar account for seven of the fifteen prizes. As each Greenbelter makes his contribution of food or money for relief at the store tomorrow he will be asked to write his name and address on a small piece of paper which is dropped in a bowl. Tomorrow night at closing time, six p. m., the drawing will take place and fifteen contributors will receive prizes.

The Greenbelt Food Conservation Committee which is sponsoring the drive expects a large supply of canned goods which can be promptly dispatched to the New Windsor, Md., interdenominational relief center, packed there and sent on the way to famine stricken areas. Money contributions, the Committee ruled, will be routed through CARE (Cooperative for American Remittances to Europe).

School Exhibit

The intermediate groups at the Center school are planning an exhibit for the week of May 27. There will be a drama showing how food has affected transportation and communication and our way of life throughout history. There will also be display charts, pictures and models.

Visitors are asked to come to see the exhibit on Wednesday, May 29 from 3-9 p. m.

A.V.C. Prepares For Convention

Mike Salzman of Greenbelt has been chosen to represent the Greenbelt chapter of the American Veterans Committee at its National Convention to be held in Des Moines, Iowa, June 14, 15, and 16.

At the next meeting of the American Veterans Committee to be held in the social room of the Elementary School May 27, 8:30 p. m., the American Veterans Committee will formulate plans for its future policy and convention procedure.

Schrom Holds Out Hope For Harvest

Fritz Schrom, neighboring airport owner, told the Cooperator on Wednesday in connection with his expansion plans, that he would cooperate with FPMA to see that as many gardens on the "Smith property" as possible would remain undisturbed until harvest.

Airport engineers are at work now on the layout and time schedule for construction, Mr. Schrom said, and will soon report exactly which gardens will be affected.

ECW Meeting

The annual meeting of ECW in New York on June 1-2 was announced at last Friday's GCS board meeting. Dayton Hull, Herman Ramras, Walter Volkhausen, and Samuel Ashelman, Jr. were selected as GCS delegates.

The Reverend Eric T. Braund has extended a special invitation to all service men and women, veterans and veterans' organizations to participate in the traditional church service. The membership of the American Legion Post 136 and the Women's Auxiliary have been asked to assemble at the auditorium before the service in order to enter with the color bearers, Vernon T. Fox, Sergeant Austin R. Green, Marine Lieutenant Edward C. Kaighn, Jr., Mrs. Carl Jernberg and Mrs. John Cooper. Members of the American Veterans Committee and Girl Scouts also plan to attend in a body.

In the afternoon program, arranged by the Legion Post and the Town of Greenbelt, the Community band under direction of Dana Garrett will open the observances with a thirty minute concert followed by the Advancing of the Colors by the Legion and Auxiliary color-bearers.

Commander Frank H. Riley will then voice a tribute to veterans of all wars. After the welcome address by Mayor George Bauer, Town Manager Gobel will introduce the guest speaker, the Reverend Eric T. Braund. Additional selections by the band, the Roll Call of the Deceased Veterans and the Returning of the Colors will complete the program.

Stands will be erected at the center for the afternoon program and programs will be distributed.

Restore Rationing FCC Asks Truman

Petitions signed by 861 Greenbelt residents were dispatched to President Truman on Saturday asking for rationing of foods needed to relieve starving people of other lands. Canvassing of the residents was carried on by the Food Conservation Committee.

Local rationing of bread was requested of Greenbelt Consumer Services by the group with the purpose in view of insuring equitable distribution throughout the community.

Memorial Sunday

"... It is for us, the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us — that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion — that we here, highly resolve that these dead shall not have died in vain — that this nation, under God, shall have a new birth of freedom — and that government of the people, by the people, for the people, shall not perish from the earth."

Council Action

The council's resolution directed to FPHA protesting infringements against Greenbelt echoes the feeling of many residents. It is the hope that the council will follow up this good start by actively continuing to prosecute the highway-airport case. The council can confidently take the initiative in this matter knowing that such action is in the best interests of the community. We believe that Greenbelters are just waiting to be shown how to attack this problem and the council is the body to lead the way. But if any good is to come of an organized campaign, the action must be speedily taken before the transaction (a three-way swap in which everybody gains except Greenbelt) is completed.

Left Hand, Right Hand

The opening of a baked goods department by Greenbelt Consumers Services at a time when they are cooperating with the Greenbelt Food Conservation Committee to stimulate gifts of food for famine victims seems incongruous. This action will be confusing to residents who are asked to give aid on one hand but invited to help themselves to products made with materials needed in famine zones on the other hand.

No one questions the need for a baked goods outlet in Greenbelt in normal times but displaying tempting cakes and cookies now puts a hard burden upon those who are trying to conserve.

Freeway A Menace

TO THE EDITOR:

If Greenbelters want a preview of what will be taking place at their doorstep soon, I would suggest they take a ride down Edmonston Road and turn left up Good Luck Road for a good view of the new Freeway. Work is going along seven days a week with all the miscellaneous workers, noise, dirt, and mess that can be expected of some score of giant conveyors and grading vehicles preparing the area for the new highway. Persons viewing this panorama will perhaps wonder at the reason for running an expensive S curve around the airport and between it and Greenbelt, instead of running straight through at the other end of the airport.

With this speedway at our doorsteps we will lose the privacy and safety we have enjoyed here in Greenbelt. Motorists will leave the highway "to see what those people look like" and will be unlikely to slow to our 25 mile speed limit thus endangering the lives of our children and adults who have to cross the streets on their way to school and shopping center. Salesmen will multiply by the dozens. Our picnic areas and wild flowers will be overrun. It will be impossible to get near the swimming pool.

The expense to the Town of Greenbelt will be greatly increased by salaries of extra patrolmen and firemen needed to enforce the speed regulations, patrol the wood-

ed areas, keep children off the speedway, answer fire and accident calls bound to be forthcoming with the greatly increased traffic through our town and wooded areas.

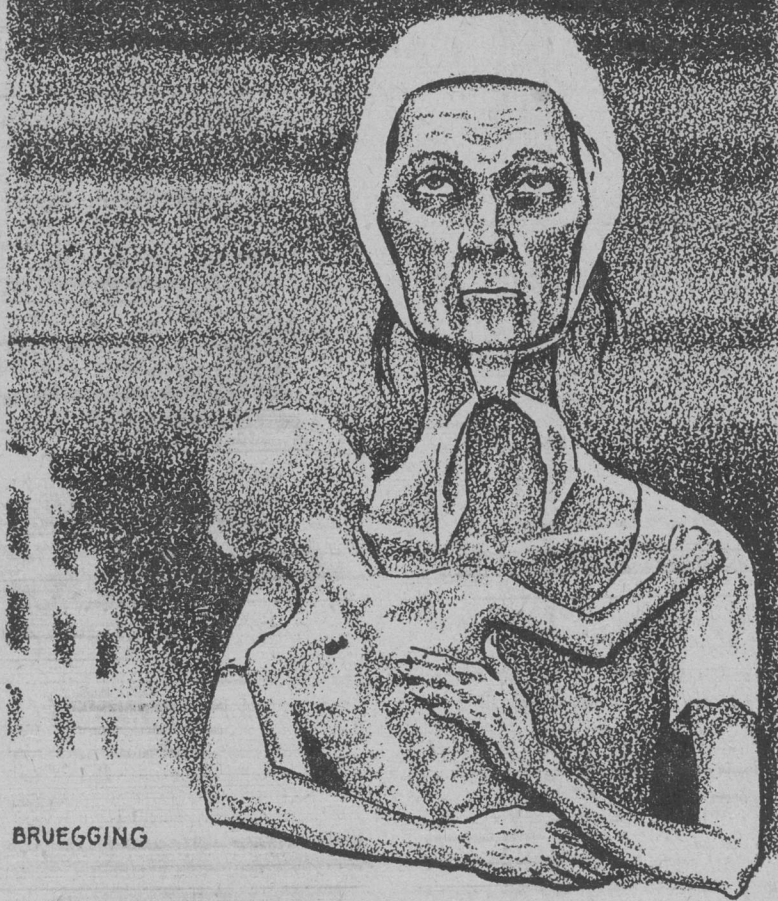

Add to this the terrific noise caused by speeding vehicles and the freight planes many times heavier and noisier than the training planes now in use. To me this paints a very black picture with sound effects.

It seems to me it is about time residents of the Town of Greenbelt assert our rights as citizens of this town and appeal to our duly elected representatives, (paid by the way \$250. each per year) to assume their duties and take every step to protest the action placing the Freeway in its present location and to protest the disposing of property within the Greenbelt area without consultation with the citizens of the affected area save for one who was, it seems, given every consideration without respect to the effect of the action on the other 2,000 or 3,000 residents. Other communities in Montgomery county have successfully protested and forced a relocation of the Freeway.

Our Town Council will be forced to take action if you express your opinion on these matters. A phone call or post card to Mayor Bauer, Councilmen Rogers, Cain, Morrison, Dunbar, Town Manager Gobel, and to The Cooperator would implement this I'm sure.

OUR NEIGHBORS

BY DOROTHY VAN SCHEVEN

Telephone 4563

Hi, neighbor!

Mrs. Anna Ressler of Allentown, Pa., is visiting her daughter, Mrs. Alma Heinly at 18 C Ridge Road. Alma's is that sunshiny voice that responds to your ring at the Greenbelt switchboard.

Mrs. Nancy Woodson of San Francisco, a former resident of Greenbelt, is visiting Mr. and Mrs. Vernon Havens, 2-C Gardenway, before leaving for the Philippines where she plans to join her husband, Comdr. W. S. Woodson, sometime this summer.

Mrs. Howard Moore's parents have been visiting their daughter and son-in-law at their home, 38-F Crescent Road, but left Tuesday for their own home in Massachusetts.

Mrs. Shirley Jalcower and young daughter Wendy Ann, of Los Angeles, have been visiting Mrs. Jalcower's sister, Mrs. Freida Feig, 11 J Ridge Road.

Buddy Slye, young son of Mr. and Mrs. Orville M. Slye, 6 T Hillside Road, recently celebrated his 8th birthday.

Before John Brown left for the West Coast where he expects to be married this Saturday to his lovely fiancée, Mamie Joy Wolfe, his fellow employees of the food store gave a shower in his honor and presented him with a pressure cooker.

Eight boy friends of Al Edward helped the young son of Mr. and Mrs. Edward J. Castaldi, 11 V Ridge Road, to celebrate his 8th birthday on May 11.

Capt. Robert C. Davenport, president of the Greenbelt Citizens Association, has returned to Greenbelt from Greenwood, S. C., where he visited his wife and brand new daughter, Deborah Ann.

Aubrey Jones, food store employee, is finding the proverbial red tape to be an actuality and almost endless as he renews his efforts to transport his bride to Greenbelt from her overseas home.

Mr. and Mrs. Raymond Walters, 4 G Gardenway, announce the birth May 9 in Leland Memorial Hospital of Donna Raye. Little Brian Lynn's sister weighed 7 pounds, 5½ ounces.

Young Markie Greenwald, son of Mr. and Mrs. Mark H. Greenwald, 26 C Ridge Road, is improving nicely at his home.

Mrs. Carnie O. Harper, 2 B Eastway Road, went by airplane to Roundup, Montana, where she is visiting her mother. Word was received in Greenbelt this week, that her mother has improved somewhat but is still very ill.

Rita Marie, four-week-old daughter of Mr. and Mrs. Thomas B. Ricker, 2 K Northway, has returned to her home from the hospital where she was taken for emergency treatment of a bronchial condition. Her physician reports that she is out of danger now.

Sue Shannon of 56-J Crescent Road celebrated her fourth birthday Wednesday with a party attended by several of her young friends.

Danny Wagner of 2 C Westway, celebrated his fourth birthday last Saturday with a party for twenty playmates.

Jimmie Trast of 19 K Ridge, celebrated his fourth birthday Monday afternoon, with a "fishing" party. Mrs. Trast made fishing poles with "hooks" which the youngsters used to fish for prizes.

Faculty members from the two elementary schools recently gave a surprise baby shower for Mrs. Louise W. Steward, kindergarten teacher at the North End School.

Herb Lampe, stationed at Headquarters in Manila was recently advanced to the rank of teck sergeant. Herb's wife Marg and son, Don, who live at 58 C Ridge Road hope for his speedy return.

Vivian and Mel Taylor, 58 G Ridge Road, recently celebrated their tenth anniversary. Congratulations to them and their fine family.

Familiar scenes around town: Groups accumulating in front of the tobacco shop at bus time..... Roses climbing around porches of favored houses..... Little sisters pushing smaller sisters who are blissfully wide-eyed at the wonders of Greenbelt as seen from their baby strollers.

Shamrocks Blast Landover 16-7 And Are Unbeaten In League Play

The Greenbelt Shamrocks remained in the undefeated class of the Prince Georges County Baseball loop by shellacking Landover last Sunday 16 to 7. In a game which saw every Shamrock hit safely at least once, outstanding players were plentiful. Bill Giller pitched brilliant ball before he was relieved. Joe Todd, besides catching a good game, got on base six times with four hits and two walks and drove in four runs. Scalise, Shahady and Moore chipped in with three hits apiece while McDonald, Enzor and Holly each had two.

The game started quietly enough when Lefty Stant retired Greenbelt without a run in the first inning. But the roof fell on him in the second inning when six runs crossed the plate. Enzor got his two hits in that frame. Wildman relieved Stant at that point and went the rest of the way. Bill Giller pitched superbly for a five inning stretch, allowing three hits and one base on balls while striking out five. Bill Herbert who relieved him gave up six runs and six hits.

Next Sunday the Shamrocks will play host to the powerful Bresnahan Tavern nine. Earl Jennings, former Washington Senator pitcher will oppose the Shamrocks in their severest test of the year. Game time is 3:00 p. m.

Legion Bowling

The American Legion Bowling League began its seven week season with a "flying" start when eight teams rolled off at the College Park alleys on Tuesday evening, May 21.

While the Packets and Flying Forts won all their three games, the highlight was the second game tie between the Black Widows and Shooting Stars with 534 each in which both anchor men, Lastner and "Pop" Bell rolled 115. The bowl-off was taken by the Black Widows who also had a high team set with 1555. Individual high game prize this week went to Councilman Jack Cain with a 130 game.

A little co-operation helps a lot!

Starting a balky car or speeding up telephone service—a little co-operation by everybody helps a lot.

Here are five suggestions that will help everybody get faster, better, more pleasing telephone service:

1 Be sure you have the right number in mind before you place your call. Use the telephone directory.

2 Don't call "Information" for numbers which you can find listed in the directory.

3 Answer your telephone promptly—but when calling others, give them a minute to answer before you hang up.

4 It is especially important on party lines to keep your calls brief.

5 Wait for the hum of the dial tone before you begin to dial.

Thanks for the lift, folks!

Memorial Day

In memory of your loved ones

The Cooperative for American Remittances to Europe (C.A.R.E.) has been established by 24 nation-wide organizations to facilitate private aid.

Fifteen dollars will deliver a 49 lb. package of supplies.

When buying 100 packages recently through C.A.R.E. President Truman said:

"The Cooperative for American Remittances to Europe will supplement UNRRA and act as a means for the whole country to provide a hungry person in Europe with food enough for three or four weeks. I commend it to the people of the United States."
